

Hello everyone to the 13th edition, Week 6 of 2022, of the NLLB Activities E-mail!!!

This weeks theme, if you couldn't have guessed already, is Valentines Day!!! What more needs to be said? Hopefully you all have a valentine and are getting ready to shower them with love and affection, and for the littles here, hopefully you're all getting ready to get showered with all sorts of cute and tasty stuff from your loved one!

Not too much to report on in my household/work space. Everything is going good over here, and I'm all geared up and pumped up for doing more of the activities pdf's. And I just though of this, I may start calling them "Activities Packets". Sounds better than "E-mails" or "Pdf's". Yes, I think I'm going to call them Activities Packets from now on. Sound good to all of you?

Fun Fact of the Month:

How Leap Day Balances Our Calendar:

Every four years we have a Leap Year, which means a day is added to the end of February (the shortest month) called Leap Day. The extra day is a corrective measure that synchronizes the calendar with the earth's almost year-long orbit around the sun. Without Leap Day, a few hours would cumulatively disappear every year, eventually throwing off our calendar and seasons.

Happy Valentine's Day

• We're always looking for ideas that we can put in with our activities. If you have any ideas, feel free to e-mail us, we're always here!

• If you're an artist and feel like doing some original doodles/drawings for us we'd love anything you wish to give us, just keep it PG of course. If you want to do some for free, awesome! If you want to do some to get paid, we can always talk about that, feel free to email us! Just know we don't really make any money right now, so we don't have much to go around.

• We're always accepting new recipes! If you want to submit a new recipe, head over to our other site, Mr. G's Cookbook, or e-mail them to recipes@mrgscookbook.com.

Shout Out & Special Thanks:

Everyone who helps and supports us! I couldn't do any of this without the help and support of all of you in the community. You make this worth it, and make me want to keep going and doing the next one, and the one after that, etc. I wouldn't be doing any of this except for the fact I know many of you look forward to this, and keep me going with your kind words!
