

Hello again everyone! Welcome to the 10th issue of the NLLB Activities E-mail. This weeks theme come from... Dragons!!! Appreciate a Dragon Day is the 16th this week. In honor of these majestic creatures, we're doing some coloring today. Hope you enjoy it!!

Also, as I was putting this together, I thought of something else. Week 3 from now on is going to have a "freestyle" activity in it. It can be what ever you want. You can make a picture and color it, write a note or letter on it, doodle, just do what ever. Stimulate that mind! Hope you like the idea, I think it's good, and it helps round out the week 3 outline since it was missing something. I hope it just doesn't turn out to be a cheap easy way to fill it out, but I like my idea, and I'll stick by it for a while unless you guys don't like it.

### Helpful Notes:

1) Don't forget, if you do something fun with the Freestyle Page, share it with us, we all want to see it!!

2) Yes, the 7th page is blank, that's on purpose. I didn't even want to add a title to it, i wanted to give you a mostly completely blank page. But the program ads a page number, so it's not totally blank, sorry.

# Bunny Book Mark

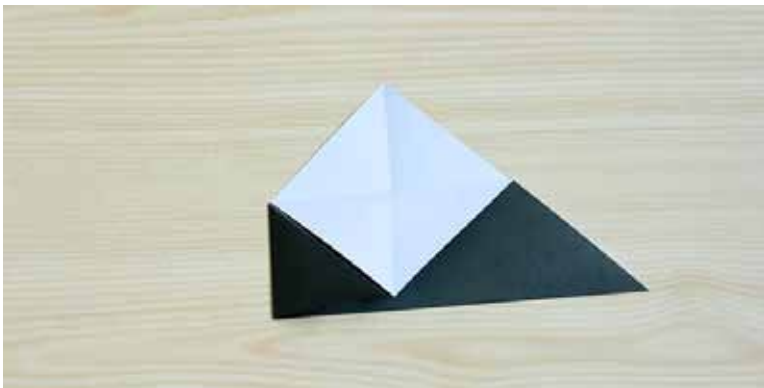

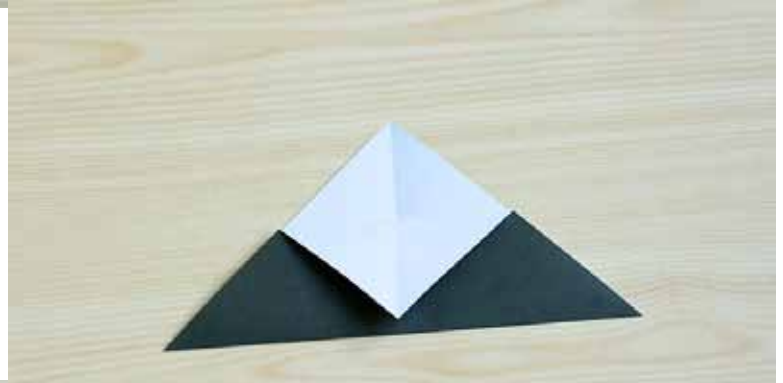

## Step 1:

Fold paper diagonally. Unfold.

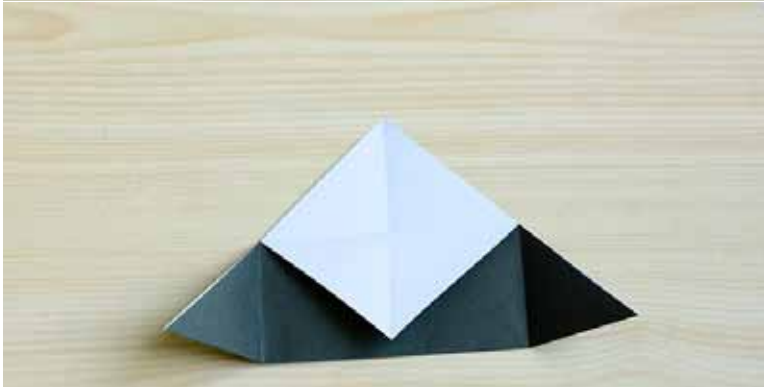

## Step 2:

Fold into a triangle (colored side on the outside). Grab hold of the top of the triangle (one sheet only) and fold it toward the bottom of the triangle.

## Step 3:

Fold the left and right corner towards the bottom center of the triangle. Crease and unfold.

## Step 4:

4. Again, grab the corner, this time folding it towards the top of the triangle. Crease well. Do the same with the other side.

## Step 5:

Now tuck both tops inside the pocket.

## Step 6:

Finish!

Now it's time to turn this DIY corner bookmark into a bunny corner bookmark.

Cut ears, teeth and snout and glue them on the corner bookmark. Also add two eye stickers (or just draw your own).

## Notes:

I used doublesided tape since that's what I had around to test this. Seems to work just fine and my mother loves it and wants another one!
